Compassion Australia - For many years our church has been a financial supporter of Compassion, through their *Mums and Babies* program and their *Child Sponsorship Program*. Why?
830 women die daily — 302,000 each year — from complications in pregnancy and childbirth, 99 per cent of them in developing countries. Around 4.5 MILLION BABIES born this year won't reach their first birthday, and more than two million will die within one month of life. Through generous supporters, Compassion works with mums and babies to prevent premature death, secure good health and enable positive development for babies and their caregivers. In partnership with Compassion, local churches run activities and carry out regular home visits. *Mums and Babies* aims for a child and their caregiver to be: Physically healthy; Encouraged in self-confidence and able to build healthy relationships; Equipped with life skills; Given the opportunity to hear the gospel message.
