### **Recipe for a Happy New Year**

Take 12 whole months. Clean them thoroughly of all bitterness, hate and jealousy. Make them just as fresh and clean as possible. Now cut each month into 28, 30 or 31 different parts, but don't make up the whole bunch at once. Prepare it one day at a time out of these ingredients.

Mix well into each day one part of faith, one part of patience, one part of courage and one part work. Add to each day one part of hope, faithfulness, generosity and kindness. Blend with one part of prayer, one part meditation and one good deed. Season the whole with a dash of good spirits, a sprinkle of fun, a pinch of play and a cupful of good humour.

Pour all of this into a vessel of love. Cook thoroughly over radiant joy, garnish with a smile and serve with quietness, unselfishness and cheerfulness.

**You're bound to have a Happy New Year**

You cannot do kindness too soon, for you never know how soon it will be too late.

*Marriage is like a long trip in a rowing boat. If one passenger starts to rock the boat, the other needs to steady it, otherwise they will both go to the bottom together.*
